Generally underwhelming class, the best chardonnays are surely ineligible (still in oak) Hard to see the merit of this class.

Top showed freshness and varietal definitions, yet questions about ripeness. A lot of reduced, phenolic & sweet/sour wines. Sugar not always in balance.

Overall quality is strong here, with a range of style achieving high quality. Oak is getting away from a few wines, fruit power is the key here

Tempranillo is warm a good match for the region. Shiraz/Pinot warrants further exploration . A number of other varieties just aren't suitable.

A very promising vintage starting to show through with some stellar wines. Golds difficult to split, especially top two golds, a tough decision, but there can only be one!

**Class Comments**

A fairly mundane set of wines, most of them under wine, VA was a problem with many, as was a lack of complexity and concentration. Top Wine a seamless fine complex example with lovely drive and presence. Major issue more sensitivity to over oaking and too many wines that lack palate, length & shape. The challenge is to achieve completeness here.
